Interactive comment on "Rapid collaborative knowledge building via Twitter after significant geohazard events" *by* Robin Lacassin et al.

Robin Lacassin et al.

lacassin@ipgp.fr

We thank Beth Bartel and Christopher Jackson for their thorough work that will help us to strengthen our presentation of results and our discussion. In an comprehensive Author Comment provided as a PDF document, we answer in detail to both reviews, explaining how we implement the related changes in our revised manuscript.

Please also note the supplement to this comment:
