

Dear Editors Solmaz Mohadjer and Mathew Stiller-Reeve,

Thank you for the feedback throughout the review process.

We attach the corrected manuscript which implement the requested technical corrections:

- In-line -> online (line #3, Abstract)
- Listed 5Rs (line #21, Introduction)
- Spelled out UAV and SfM (line #5-6, Abstract; line #46, Introduction)

Thank you once again for helping us improve our work.

With best regards, and on behalf of the authors,

Peter Betlem
